## Important Note!

The Malaysian Government through the National Security Bureau and Sabah Parks has enforced a very strict Sipadan Entry Permit approval system. Every application to enter Sipadan either for the purpose of Diving or Snorkeling has to go through a stringent screening and approval process. Guests buying packages to stay at Mabul Island or Kapalai with the intention to enter Sipadan will only know whether their permit has been approved by the authority upon their arrival at the resort.

If permit is approved, guest will have to pay locally at the resort. Current Sipadan Entry permit fee is charged at RM40 per person per day. This fee is subject to change without prior notice.

Guests are to be informed that by purchasing a diving or snorkeling package staying at Mabul Island or Kapalai, does not guarantee diving or snorkeling in Sipadan water. However, diving around Mabul and Kapalai is available, subject to good weather.
