Important Note:

The Malaysian Government through the National Security Bureau and Sabah Parks has enforced a very strict Sipadan Entry Permit approval system. Every application to enter Sipadan either for the purpose of Diving or Snorkeling has to go through a stringent screening and approval process. Guests buying packages to stay at Island Resort with the intention to enter Sipadan will only know whether their permit has been approved by the authority upon their arrival. If their permit is approved, they will have to pay locally at the resort. Current Sipadan Entry permit fee is charged at RM40 per person per day. This fee is subject to change without prior notice. Please take note that by purchasing a diving or snorkeling package staying at Resort, does not guarantee diving or snorkeling in Sipadan water. However, diving around the Resort is available, subject to good weather.
